## RANDY THOMAS, Live Performance

At the Royal Canadian Legion Branch 142, Dunnville.

### Valentine's Dance

#### Valentine's Romance

was in the air this evening. So many greatest hits Randy performed: Islands in the stream, I would walk 500 miles, Wasn't that a party (Irish Rovers). The dance floor filled up with "Will you still love me tomorrow", I'll be there before the next teardrop falls, and the Tennessee Waltz. Everyone was having a great time singing, waltzing and doing the line dance.

A gentlemen valentine was bringing his sweetheart a beverage. A Valentine was asking to be mine over the speaker, presenting a Beautiful Big Valentines card to his sweetheart.

A Royal Valentine's Dance for everyone!

## RICHARD LUSTIG

### "7 TIMES GRAND PRIZE LOTTERY WINNER"

I ALWAYS WANTED TO  
SAY THAT  
EXTRA/ EXTRA/ READ  
ALL ABOUT IT!

I wrote to Richard after I purchased his book. This is what I wrote to him: Hi Richard, I heard about your method from the internet, I searched "How to win the Lottery" and you came up. I watched your video interview clips then I ordered your book. It seemed like forever waiting for your book to get to me, since I was so anxious.

Picking up my parcel at the local post office/marina/boat & cottage rental. (Mohawk Marina). Talking with the man in charge, where I've known him through the years. I told him what I just ordered and how excited I was. He said, "yes he has heard of you. He said, "he never loses on the lottery" I said "Oh"? Yes he says because I don't play! Ok I fell for that one. He said, let me know if you win as he opened up my passenger door and placed my package on the front seat. (what nice service) I thanked him and replied; if I win

the Jackpot the whole town will probably know anyway without me telling anyone!

I didn't play the lottery until your book arrived. I followed everything exactly what you said, and I won on the first two Lottery games I played. Lotto Max was for \$50 million: I hit 4 numbers right and won \$40. If I was the only winner I would have won 343,752.00. I only bought one ticket for \$5 plus the encore for a dollar. Lotario the other game I played is usually for \$250,000.00 Jackpot. I purchased 4 tickets plus the encore for a dollar each and won \$5, with 3 right. With those two wins of \$45 dollars. I did what you said in your book and reinvested the winnings for my next draw. Richard I have to say it is quite

amazing, I hit 5 numbers right on Lotto Max and 4 numbers right on Lotario. \$112.00 for Lotto Max and \$27.00 for Lotario. The book pays for itself and it most

definitely increases your chances of winning. I have never had 5 numbers right in Lotto Max before. Thank you ever so much this is the best book I have ever purchased. Here's to winning the Jackpot !

Then he called me, OMG. He called and left a message on my answering machine. Saying he wanted to speak to me to tell me what a beautiful letter I wrote to him and to thank me for it and asked if I could call him back. I was calling my daughter, my sister, and Susie saying: Richard Lustig just called me Richard Lustig just called me. I was so excited he called. They asked who

is he? I told them Richard is the one that has won 7 times on the Lottery. Oh really they said tell me more and I did. Now, I just have to tell everyone about Richard Lustig and his book. It wouldn't be fair of me not to let you know. I was tired of not winning and wanted to know how to win! Now I know.

Yes Richard is in Florida but it works in Canada too eh!

On his web site: [www.winninglotterymethod.com](http://www.winninglotterymethod.com) You can order his book and see his interviews, gallery > video's and pictures, testimonials. Radio and press, media and appearances.
